## *Legislative responsibilities*

The Omeo District Football Netball League takes its legal responsibilities seriously, including:

- **Failure to disclose:** All adults in Victoria who have a reasonable belief that an adult has committed a sexual offence against a child under 16 have an obligation to report that information to Victoria Police
- **Mandatory reporting:** Any Delegates, members of the League Executive, staff, or volunteers who are mandatory reporters (doctors, nurses, midwives, teacher, principals and police officers) must comply with their duties
- **Failure to protect:** People of authority in our organisation will commit an offence if they know of a substantial risk of child sexual abuse and have the power or responsibility to reduce or remove the risk, but negligently fail to do so
- **Reportable conduct:** The head of our organisation must be made aware of any allegations of physical and sexual abuse, sexual misconduct, significant emotional or psychological harm or significant neglect by an employee or volunteer towards a child. We are also legally required to notify the Commission for Children and Young People of the allegation
- **Duty of care:** If a child is abused by an individual associated with our organisation, our organisation is presumed to have breached its duty of care unless it can prove that it took 'reasonable precautions' to prevent the abuse in question. For more information, please refer to the [new organisational duty of care to prevent child abuse page](https://www.justice.vic.gov.au/safer-communities/protecting-children-and-families/betrayal-of-trust-fact-sheet-the-new) <<https://www.justice.vic.gov.au/safer-communities/protecting-children-and-families/betrayal-of-trust-fact-sheet-the-new>> on the Department of Justice and Regulation's website.

## *Risk management*

In Victoria, organisations are required to protect children when a risk is identified. In addition to general occupational health and safety risks, we proactively manage risks of abuse to our children.

We have risk management strategies in place to identify, assess and take steps to minimise child abuse risks which include risks posed by physical environments and online environments.

## *Allegations, concerns and complaints*

The Omeo District Football Netball League takes all allegations seriously and has practices in place to investigate thoroughly and quickly. Our Delegates, members of the League Executive, staff and volunteers are trained to deal with allegations appropriately.

We work to ensure all children, families, board members, staff and volunteers know what to do and who to tell if they observe abuse or are a victim, and if they notice inappropriate behaviour.

We all have a responsibility to report an allegation of abuse if we have a reasonable belief that an incident took place. If an adult has a reasonable belief that an incident has occurred then they must report the incident. Factors contributing to reasonable belief may include:

- a child states they or someone they know has been abused (noting that sometimes the child may in fact be referring to themselves)
- behaviour consistent with that of an abuse victim is observed
- someone else has raised a suspicion of abuse but is unwilling to report it
- observing suspicious behaviour.

### *Regular review*

This policy will be reviewed every two years and following significant incidents if they occur. We will ensure that families and children have the opportunity to contribute. Where possible we will do our best to work with local Aboriginal and Torres Strait Islander communities, culturally and/or linguistically diverse communities and people with a disability.
